IMPORTANT ANNOUNCEMENT

Those students who are at the stage of writing up their Master's Thesis and are about to complete their maximum education period of six semesters must pay attention to this announcement.

The thesis advisors of those students whose **maximum education period of six (6) semesters** will expire as of the end of the spring semester of the 2020-2021 academic year (excluding the Scientific Preparation period and the periods whose registration is frozen) **must submit the thesis in the word form to the control e-mail address until the end of working hours on Friday, June 25, 2021. Theses submitted after this date will not be accepted**.

According to the first paragraph of Article 9 of the Postgraduate Education Regulation, the normal education period of the students enrolled in the Master's program with thesis is four semesters, and the program must be completed in six semesters at most. Those students who cannot complete their thesis at the end of these periods are dismissed from the University.
Graduate Education Institute

ISSUES TO BE CONSIDERED

1- Click for Thesis Control addresses.
2- Thesis defence exam: Those Students who have completed their courses and graduate seminars and achieved a CGPA of at least 2.50 out of 4.00 or above can defend their theses.
3- Those students who will defend their theses must also fulfil the publication requirement. Click for publication requirement.

NOTE 1: Those students who do not submit their thesis proposal to the Institute secretariat through their advisor will not be able to defend their theses even if their theses are finished.
NOTE 2: According to the first and second paragraphs of Article 9 of the IZU Graduate Education Regulation:
(1) The normal duration of the master's program with thesis, excluding the Scientific Preparation period, is four semesters. The period starts with the first semester of the registration in which the relevant programs offer the courses, regardless of whether or not students take the courses offered in this particular semester. The maximum period to complete the program is six semesters at most.
(2) Those students who cannot complete the credit courses and seminar in the curriculum at the end of fourth semesters or fail to fulfil the success conditions stipulated by the University within this required period or those students who fail in the thesis study or those students who do not defend their theses within the maximum period are dismissed from the University.
