

**IZU OGR PROJECT SUPPORT PROGRAM
2023-2 CALL ANNOUNCEMENT****1. Call Code**

ÖGR-2023-2

2. Call Header

IZU OGR Project Support Program 2nd Call for 2023

3. Call Details

Call Purpose	The purpose of the call is to encourage undergraduate and graduate students studying at our university to conduct research through projects.
Application Deadline	14/07/2023 (Until 17:30)
Project Duration	Maximum 5 months (Implementation) + 1 month (Reporting)
Project Support Upper Limit	8.500 TL (Including the scholarship fee)
Scholarship Fee Upper Limit	1.500 TL

4. General Conditions

Who Can Apply?	IZU undergraduate and graduate students who are actively studying
Academic Counseling	Projects should be carried out under the academic supervision of IZU faculty members or IZU faculty members who have completed their doctoral qualifications. The electronic document processes of the supported project are carried out by the project consultant.
Support Coverage	Grant support is provided from IZU equity for the machinery/equipment, consumables, travel and service procurement expenses required by the research projects prepared by undergraduate and graduate students studying at IZU. Conference participation, publication and patent, accommodation and daily (food and beverage) expenses cannot be included in the project support budget. Scholarship fee may be requested up to the upper limit determined in the project budget. The scholarship fee is paid to the student coordinator within 1 month following the submission of the final report.
Result Report	The project result report must be submitted within 15 days from the end of the project implementation period. If the final report is not submitted, the next applications of the project coordinator will not be evaluated and the requested project scholarship fee will not be paid.

5. Application Process

- Wet-signed scan of the **Project Application Form** with the download link below is uploaded to the **E-Application** system, which is linked below. The original form must be kept.
- Project applications will be evaluated by the **IZU Scientific Research Projects Commission**.
- The result of the evaluation will be notified to the relevant applicant via **e-mail**.
